Route, Review, Return for Edit, Certify and Submit a Filing

- Filing Certification and Approval Process

- Once the filing has been completed by the Filing Preparer, the Actuary (if applicable), Payment Preparer and Plan Admin/Plan Admin Rep must certify, approve and submit the filing to the PBGC.
 - Actuary: If there is Variable-Rate Premium (VRP) data supplied, they will need to certify that the information being reported in the VRP section of the filing is accurate.
 - Payment Preparer: They can submit ACH payment information through My PAA or select that the payment is being made outside of My PAA.
 - Plan Admin/Plan Admin Rep: They will review the information provided by the Filing Preparer, Actuary (if applicable), and Payment Preparer. Once the information has been reviewed and validated, then the Plan Admin or Plan Admin Rep will approve and submit the filing to the PBGC.
 - Note: Once the filing has been submitted by the Plan Admin/Plan Admin Rep, if the Payment Preparer submitted premium payment information via My PAA, the funds will be debited from the plan's account.
