<input type="checkbox"/>	§ 4262.3(a)(3) of PBGC's SFA regulation**
<input type="checkbox"/>	§ 4262.3(a)(4) of PBGC's SFA regulation

* PBGC will not verify a plan's assessment of its eligibility for SFA until it receives the plan's revised application. If PBGC determines that the plan was not eligible on the date when the lock-in application was filed, then the lock-in application will not establish the plan's base data.

**For information on how to determine eligibility under this provision, see Section D, Item (3)c of the general instructions.

Part III. Priority Group

This section is required only for a lock-in application filed on or before March 11, 2023. If filing after that date, then leave this section blank and skip to Part IV.

Priority Group 5. Is the plan projected to become insolvent before March 11, 2026?

Yes No

If yes, then, except as provided below, the filer must provide a certification from the plan's enrolled actuary that the plan is eligible for Priority Group 5. This certification should specifically identify Priority Group 5 and contain sufficient information to demonstrate that the plan is eligible for Priority Group 5, including details of relevant plan projections and clear documentation of all assumptions, methods, and census data used in such projections.

Priority Group 6. Is the plan listed on www.pbgc.gov/arp-sfa as having a present value of financial assistance in excess of \$1 billion?

Yes No

If yes, skip to Part IV. Also, if yes and the plan is also in Priority Group 5, then the filer does not need to provide the supporting documentation described above.

If applicable, PBGC will post additional priority groups eligible to submit lock-in applications, the date PBGC will begin accepting applications for plans in additional priority groups, and any required information for a plan to demonstrate its priority group status on PBGC's website at www.pbgc.gov. Also, PBGC may require a plan sponsor to file additional information, including information to clarify or verify the plan's priority group status.

PAPERWORK REDUCTION ACT NOTICE

This section provides information on the time and cost estimates for preparing and filing the lock-in application. If you have any comments concerning the accuracy of these estimates or suggestions for making it simpler to submit the information, please send your comments to the Pension Benefit Guaranty Corporation, Office of the General Counsel, 445 12th Street, SW, Washington, DC 20024-2101.

Information filed with PBGC in an application for special financial assistance (SFA) is confidential only to the extent provided under the Privacy Act. PBGC may, in its sole discretion, post an application for SFA and any documents and information filed for the application on its website at www.pbgc.gov, or otherwise publicly disclose the application, documents, and information, except information that is confidential under the Privacy Act.

PBGC will share with the U.S. Department of Labor and the Treasury Department (collectively, the Agencies) a plan's application, including any documents and information filed with PBGC, to enable the Agencies to fulfill their responsibilities under section 4262 of ERISA.

This information collection is necessary for PBGC to properly administer the SFA program. PBGC uses the information it receives in a plan's lock-in application to record the filing date for the plan's initial application for SFA.

PBGC estimates an average per plan hour burden of 1 hour of fund office time and an average cost burden of \$800 in contractor costs. These are estimates and the actual time and cost per plan will vary depending on the circumstances of a given filing and the size of the plan.

This collection of information has been approved by the Office of Management and Budget (OMB) under control number 1212-0074 (expires 07/31/2023). Under the Paperwork Reduction Act, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.
