General Comment

My name is Michael Egan and I am retired from Hollands Motor. Local 200. I feel the PBGC should make my pension whole. It was not my fault that YRC mismanaged our pension payments and also the government took and mismanaged our pension. I worked everyday in hopes of a full pension and not a reduced pension. This should be taken into consideration when they set up payouts for the retired people in the multi employer pension fund. Thanks for your time
