

Do you know how to use PBGC's new MyPBA homepage features?

See your account transaction history

• Click on the **My Transactions** hyperlink in the navigation bar at the top of the page <u>or</u> the **My Recent Activities** icon in the middle of the page – this will show you a list all recent transactions, if applicable, such as a recent update to your payment destination.

NOTE: The way you view your monthly payment history isn't changing. To view this, click on the **My Benefits** hyperlink in the navigation bar at the top of the page – and then select a plan or role to find your payment history.

Submit a request for your benefit estimate – for people NOT receiving benefits

• For example: Do you want to submit a benefit estimate request or see the status of an existing request you made on MyPBA for a benefit estimate?

Click on the **My Benefits** hyperlink in the navigation bar at the top of the page <u>or</u> the **Looking for more?** icon in the middle of the page.
